(...)

For those who still get wet eyes when they hear Roland SH-101 or Minimoog and also have 1.6 gig free hard disk space this library is warmly suggested. As all the other libraries by Ueberschall this one does also come with the Sample Player „Elastik“.

(...)

The new „Analog Attack“ Library by Ueberschall has, without a doubt, a lot to offer. If you are looking for high quality analog synthesizer loops that you can use in any kind of production and you want to start right away, this is your weapon of choice. Whether you see the Elastik player as a creative obstacle or as a support to your workflow - all that counts is the outcome and how you make use of the material. And for that reason „Analog Attack“ gives you more than enough inspiration.
